

Hi,

Welcome to December's Missive.....

HIGH TICKET AFFILIATE MARKETING- WHAT ARE ~~THEIR~~ IT'S BENEFITS?

If you've been searching for information about affiliate marketing, you have no doubt come across high ticket affiliate marketing and the internet being what it is, there are many different views and reviews on the subject ... ~~/it's~~ a bit of a minefield ~~/really?~~
- change "really" to "wouldn't you agree?" / remove "it's"

So today's article is about the thorny subject of High Ticket Affiliate marketing and what its benefits are.

What Is HIGH Ticket Affiliate Marketing?

When we talk about high ticket affiliate programs, we actually mean high-paying affiliate programs, which pay higher commissions than regular affiliate programs. However, depending on the niche market that you operate in, you could earn as much as 50% commissions off of the total sales price ~~/tag~~ of an item. ~~/And~~ since such products ~~and~~ or services of these niches are appreciated at a higher value, then you will have the opportunity to earn bigger and faster!

What Kinds Of Product Yield ~~/s~~ High Returns?

High ticket products are products that are of extremely high value and therefore are ~~/worth~~ easily being sold ~~/for~~ anywhere from \$1000-\$20,000 per product. These products are sometimes informational products, coaching sessions, 1-on-1 coaching session, membership sites and high-level marketing technique courses.

That being said, if you are the type person who wants to make more money right from your comfort zone, today is your time to make more money with high ticket affiliate programs. You have the opportunity to earn commissions of \$500 and more for each sale! And let me tell you, it is definitely never boring to sit back behind your computer screen and get an e-mail to find out you just earned a lot of money with just one product sale ~~/commission~~.

Benefits Of High Ticket Affiliate Marketing.

Since the time and skills required to make a \$10 sale are practically the same for marketing a \$1000 affiliate product, there is no reason why you ~~should~~ stay away from ~~/ the any~~ high ticket affiliate programs. However, if you are still having a few doubts about joining a high ticket affiliate program, below are a few advantages of joining a high ticket affiliate marketing programs today.

1. Continuous Profits

When you join a program, you are no longer just an affiliate trying to battle it out on your own, you become a partner. So you get a percentage of all the backend sales – doesn't that sound pretty cool.

2. It's Easier To Find Buyers.

How often do people want to buy high ticket products? The answer is - a lot! Actually, according to credible sources, lots of people search for high ticket products (be it exclusive club memberships, self-development programs, internet marketing training, coaching, etc...) on a daily basis. Many believe that it is always much easier to find people to buy cheap stuff rather than expensive. Actually, this ~~/couldn't be more~~ **is** wrong!

Yes, you might put a bit more effort in finding people who might want an expensive product, but - this will pay off in the end with great commissions . It is ~~/much~~ more rewarding to get a higher commission when doing the same amount of work as you would for a ~~/cheaper~~ **less expensive** product!

3 You can quickly Become a Brand.

When you promote high ticket items, you can become your own brand, even though you are an affiliate. You can become well known in the affiliate marketing community. That ~~/will can~~ help you make more sales. It ~~/will can~~ even help you ~~/as you begin to when /you~~ create and ~~←~~ sell your own products down the road.

4. Easier for Repeat Business.

When someone trusts you with a big purchase, they are more likely to **return** to you over and over again. That means you ~~/will can~~ get repeat business from your customers. It is much easier to close the deal with someone the second time around, so this is ~~/extremely~~ **very** important.

Aside from the listed benefits, as any other affiliate product, a High Ticket product has already been developed for you. ~~/No need~~ Again, you don't have to worry about ~~/its~~ maintenance, fulfillment, support, and pricing.

If you are tired of barely making a living with small commissions, start out with some big-ticket items. You will be amazed to see how fast you can earn money with these products. As your income stream increases, you will ~~/be able to~~ have more freedom, and **of course** that ~~/is~~ **is** what we all ~~/desire~~ **want**, isn't it!

Multiply your profits faster and easier than you ever imagined.
